NOTICE OF CORRECTION
No. DE 03SPPNR-5658

To: William Sesko

As owner or operator of property located at 1715 Pennsylvania Ave. in Bremerton, Washington.

This Notice of Correction is issued under the authority granted by RCW 43.05.060.

On July 15th and 16th, 2003, a release of pollutants to waters of the state occurred at your property which is in violation of 90.48.080 RCW. The violation occurred when petroleum contaminated water from an underground storage tank on your property was intentionally released to a paved surface and then subsequently to a storm drain.

RCW 90.48.080 Discharge of polluting matter in waters prohibited.

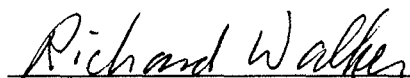

"It shall be unlawful for any person to throw, drain, run, or otherwise discharge into any of the waters of this state, or to cause, permit or suffer to be thrown, run, drained, allowed to seep or otherwise discharged into such waters any organic or inorganic matter that shall cause or tend to cause pollution of such waters according to the determination of the department, as provided for in this chapter. "

To correct this violation you must immediately cease allowing pollutants to enter waters of the state. Storm drains and street gutters are waters of the state. Failure to do so may result in issuance of a penalty or other administrative or judicial action.

Questions concerning technical assistance that may be available should be addressed to Richard Walker, Department of Ecology, 3190 - 160th Avenue SE, Bellevue, WA 98008.

This Notice does not constitute an order or directive that may be appealed under RCW 43.21B.310.

DATED this 17th day of July, 2003 at Bellevue, Washington.

Richard Walker, Assistant On-Scene Coordinator
